Thank You!!

The Juvenile Diabetes Research Foundation was founded in 1970 by a group of parents of children with diabetes. Their mission: to find a cure for the disease within their children's lifetime through the support of research. Since then, JDRF has committed over \$1.4 billion to research. This is more money than any other non-governmental, non-profit health agency in the world.

Tax ID# 23-1907729

The fair market value of the golf outing is \$50 per person. The balance is tax deductible.
