

Disability Insurance

The best disability offering for lawyers you are ever likely to see, backed by the people you trust.

This is the best disability offering for lawyers you are ever likely to see. It will only be available for a limited time to North Carolina lawyers.

- No embarrassing health questions – Guaranteed Issue up to \$4,000 per month.
- Policy issuance within a week rather than 1-2 months.
- A discounted, non-cancelable level premium.
- True Own Occupation definition of disability, including specialty.
- Only proof of income is required.

Who should consider purchasing this coverage while it is available with no health questions and at a discounted rate:

- Every lawyer with no disability coverage – 1 in 3 individuals will have a disability lasting 3 years or more in their lifetime. Losing one's income to disability can financially devastate your family.
- Every lawyer with group disability coverage – group coverage only replaces 60% of lost income and the benefit is taxable. Most group policies have benefit limits. Use this offer to max out the coverage your income qualifies for.
- Every lawyer with individual coverage whose income qualifies them for more coverage than they have. For many, income rises with age and experience – keep it properly insured.

The extraordinary nature of this offer is not an exaggeration. The good names of Lawyers Insurance and the NC Bar Association stand behind the proposition that this is a genuinely unique, limited time offer. Based on the insurer's good experience with lawyers, they are seeking to increase premium through this exclusive opportunity. They are giving Lawyers Insurance and its clients the chance to take advantage. If you have ever been through the medical questions and tests associated with obtaining disability coverage, you will not want to miss this opportunity.
